

March 27, 2006

Dear Valued Customer,

We thank you for the opportunity to be your transportation provider. Our goal is to maintain and improve service in every facet of our industry.

In order to continue providing a quality service and meet the needs of our customers, we must constantly reinvest in our business. Chris Truck Line will continue to invest in service, equipment, service centers, technology, safety, security, and our people.

In support of these continued enhancements and in view of escalating medical, insurance and security cost, Chris Truck Line will be implementing a general rate increase with an overall impact of 5.9%, effective April 3, 2006.

INTERSTATE "Absolute Minimum Charge" will increase to \$69.50.

INTRASTATE "Absolute Minimum Charge" will increase to \$55.00, with the exception of Kansas, which will increase to \$42.00.

If you have any questions please contact your Account Manager or call 800-759-2212.

Thank you again for your business.

Sincerely

Dennis Eckerman
Vice President, Sales
